TMZ has obtained pics from the "taco party" [Oprah](#) attended at her pal [Megan Castran](#)'s place in Australia last weekend — and our sources say O showed up to the shindig armed with two expensive bottles of Partida tequila.

We're told O threw back ONE whole shot of tequila during the party — and chowed down on tacos, [guacamole](#) and that wacky cake (pictured above) that [features](#) Oprah mounting a kangaroo.

Delicious.
